

# Documented success with Zinc STAAR Mastery

**Zinc Learning Labs's new STAAR Mastery**, a four-week test prep program, launched with a pilot program in spring 2025. When comparing schools in a major Texas charter network that completed at least 10 STAAR Mastery activities with those who did not participate in the program, **we saw verifiable growth** across pass percentages, average scores, and Meets and Masters Grade Level performance areas.

## English I Pass Percentages

 **+8.8%**

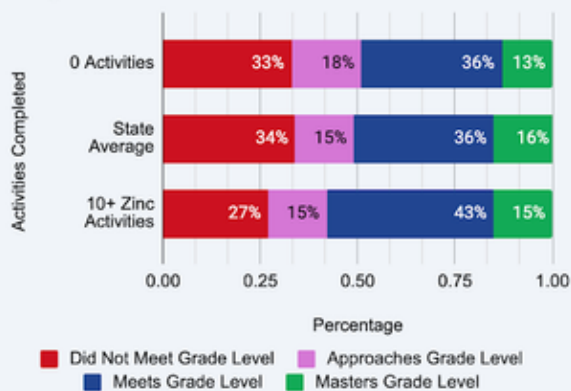

## English II Pass Percentages

 **+9.4%**

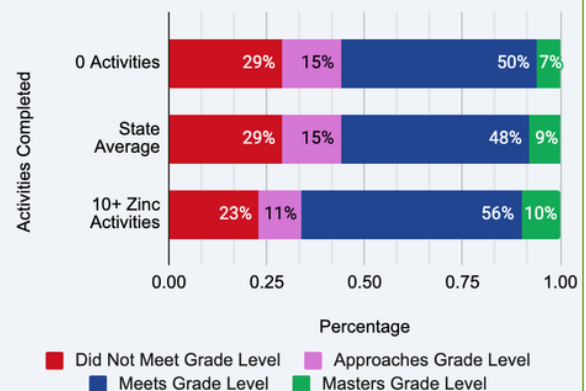

## Meets and Masters Grade Level

 **+17%**
